Help Put the Brakes on Child Abuse and Neglect

"Keep Kids Safe" Proposed Specialty License Plate

The Washington Council for Prevention of Child Abuse and Neglect (WCPCAN) is supporting a citizen-led effort to introduce a specialty license plate to help safeguard children in Washington State.

The proposed plate, with the motto, **"Keep Kids Safe,"** is a reminder that every child deserves a childhood free from abuse and neglect in order to grow into a happy, healthy, thriving adult.

Proceeds from the special license plate sales will go to **The Children's Trust Fund of Washington** in support of the **prevention of child abuse and neglect.**

A petition containing the names, addresses and signatures of at least **2,000** adults is required to notify the Department of Licensing's office that you support the concept of the **"Keep Kids Safe,"** special license plate. The information acquired in the signature sheet will only be used to notify you when the license plates are available in Washington and is not a confirmation of order.

Please show your support by signing or collecting signatures
